

SAINT NICHOLAS

December 6 - St. Nicholas Day

*St. Nicholas is the special friend of children,
sailors, prisoners and everyone in need*

Nicholas lived a long time ago, during the 4th century. He grew up to be the bishop in a city named Myra. He used all his money to help children in need and people who were sick or poor. He helped secretly, so no one would know who had done the good deeds. We remember him because he loved God and was good and kind.

Good Saint Nicholas,

show us the way to Bethlehem

to see Jesus, the Christ Child;

help us to follow your example,

sharing Jesus' love with everyone
and caring for those in need.
