

# SAINT NICHOLAS ~ SPOON SAINT

*These spoon Saint Nicholas figures may be used as ornaments, standing figures, or just made for fun!*

## MATERIALS

- Wood craft spoons
- Red, yellow or gold, and white construction paper  
Pre-cutting appropriate-sized rectangles makes it easier to cut pieces
- ½, ¼, and 1/8-inch strips of yellow or gold construction paper
- Pattern printed on card stock, optional, as pieces may be cut free-hand
- Optional embellishments: gold metallic chenille stems, gold gummed seals

## EQUIPMENT

- Scissors
- Sharp pencils, if transferring pattern
- Tacky glue
- Fine point marker to make eyes, suggest Pigma Micron markers
- ¼-inch paper punch to make gold balls
- Paper cutter

## DIRECTIONS

1. Cut out desired pieces (pattern below)
2. Glue yellow strips to decorate robe and miter, if desired
3. Glue robe to front of spoon
4. Glue hair to back of spoon, positioning carefully
5. Glue miter in place on front of spoon
6. Glue beard in place on front of spoon
7. Draw eyes and nose, as desired
8. Glue crozier and gold balls in place, if desired

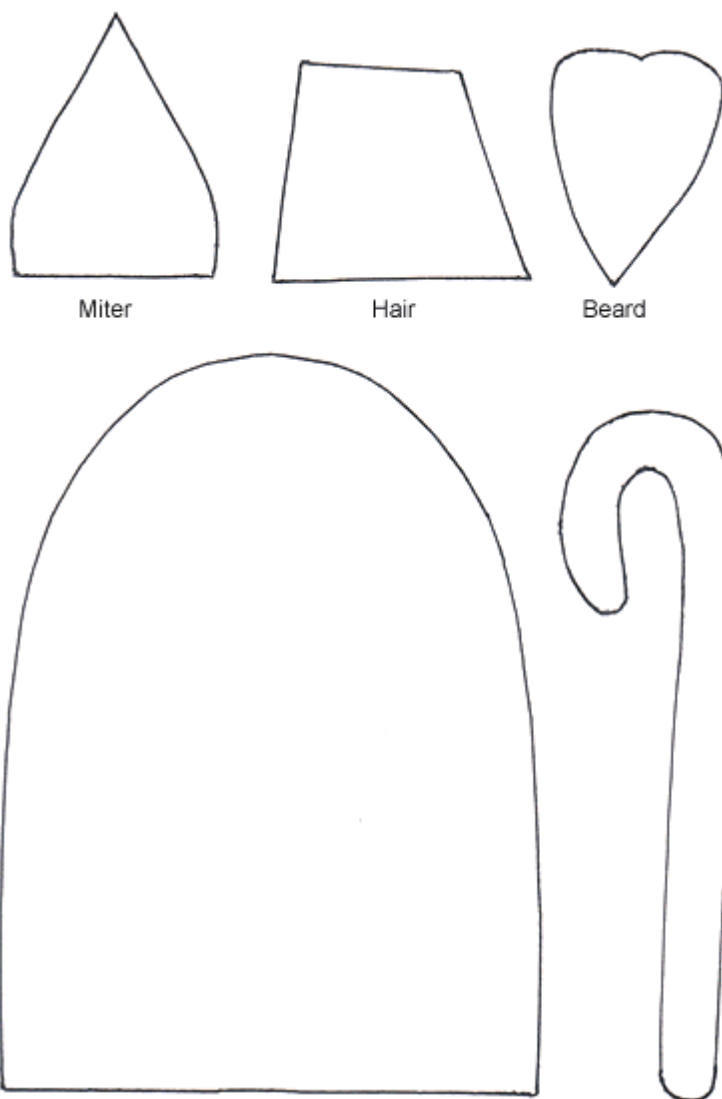

To make ornament: add cord for hanging

To make standing figure: glue to spring clothespin to make stand
