

SVIATYJ NYKOLAJ

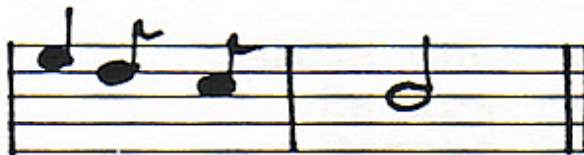

O khto, khto Nykolaya luby

O khto, khto Nykolaju sluzhy

Tomu sviatyj Nykolaj Na vsiakyj chas pomahaj

Nykola ye'!

All that love Saint Nicholas
 All that serve Saint Nicholas
 For these Saint Nicholas
 Comes to their aid in all their needs
 Saint Nicholas!
 Saint Nicholas!

All that come to him
 All those on land and sea
 He protects from disasters
 He keeps them from falling into sin
 Saint Nicholas!
 Saint Nicholas!

All that come to him
 Asking for aid in their needs
 He will protect from evil
 He will save their soul and body
 Saint Nicholas!
 Saint Nicholas!

His image is our salvation
 And the one protection from evil
 Don't allow us to needlessly perish or
 Fall into the hands of our enemies
 Saint Nicholas!
 Saint Nicholas!
